Council-Citizens Discuss Bonds On KMIL

THEY DON'T EVEN GET BREAD AND WATER—The tires shown above were impounded at Milam County Jail by the tireless Sheriff Carl Black, shown looking over the loot recovered after more than 100 tires were reported stolen from various service stations in the area.

Some of the tires were found in a Cameron establishment and still others were picked up at a Fort Worth service station by the Sheriff. It was through the cooperation of the Sheriff of Brazos County, College Station Police Chief, Joe Richter, Constable; Douglas Barron, Milam Deputy Sheriff, Fort Worth and Snyder officers and representatives of the Humble Oil Company out of Houston.

Owners of the tires have claimed their tires at this time.

NOTICE

Tickets for the Cameron-Bryan football game are on sale at the office of the Yoe High Principal until Friday at noon.

Reserved Seat tickets are \$1.25 and student tickets .35 cents.

Brenham Football Game Receipts Show Cameron Net \$786.87

The Brenham football game netted \$1,573.74, half of which goes to Brenham and half to the home team.

The office of Superintendent Wiley Loughmiller released the following financial statement following the game:

Reserved tickets at \$1.25; complimentary 6; sold 155 for total of \$193.71; Adult Tickets at \$1.00; sold 1078 for total money of \$1,078. Student Tickets at .30, sold 663 for money total of \$198; Season tickets (one game accounted) total money \$208 for a total (with .11 cent error) deposited \$1,573.14. Paid officials \$104.80 for net receipts of \$1,573.74. Brenham receives \$786.87 as does the Yoe Athletic Fund.

Cameron Largest Texas City Using Unfiltered Surface Water

That Cameron is the largest city in Texas, using unfiltered surface water was verified by State Department of Health Engineer Charles A. Schaefer at a public meeting at the Yoe High School Gymnasium Tuesday night.

The Health Department official pointed to the sixty-one years of tremendous strides in the field of water purification but Cameron has not changed its basic process since the original water plant was built in 1895. The plant was improved in 1929 but it is basically the same today as then.

Water filtration is the most important thing which Cameron could do today to improve its Health standards the engineer said and the business of emptying raw sewage into a state stream is now frowned on by law.

In handling the latter matter the State Department of Health conveniently handles such matters by refusing a permit for extensions of mains in a town where such disposal exists. This brings about a rectification quicker than

It is of primary importance to maintain the quality of water especially in times of water shortage legal procedure by the Attorney General Department he said because there is no recourse for the city except to comply with the State Health Department regulation. See Unfiltered Water - Back Page

National Week Tributes Women In Business

This is National Business Women's Week so proclaimed, from September 23 through September 29 in and for Cameron by Mayor Robert Weems.

This annual week, sponsored throughout the United States by the National Federation of Business and Professional Women's Clubs, is set aside to pay tribute to women in business and the professions, and the contribution they make to the nation.

SCS District Supervisors To Be Elected

An election will be held October 2, from 2 to 4 p.m. in the District Courtroom in Cameron to elect a District Supervisor to serve on the board of supervisors serving the Milam county area with boundaries including the Little River to the Brazos River area. Mr. Edwin Fischer, of Buckholts, is the present supervisor.

With prospects in progress for a water shed district on Elm Creek to be developed, all farmers and land owners are urged to make note of this election.

Farm Bureau Member Drive Banquet Tonight

Millard Shivers, organization director of the Texas Farm Bureau, of Waco will be principal speaker tonight, Thursday, at the Milam Bureau's membership kick off banquet.

President of the Milam Farm Bureau, John A. Smith will be master of ceremonies at the meeting which starts at 7 p.m. with a meal served by ladies of the Catholic Church in Simon and George Memorial Hall.

Bo Peeps

By James E. "Bo" Patterson
If the bond issue passes and Cameron gets filtered water we can say with zest "Water everywhere and not a drop to STINK."

A man said I've seen gravelled streets paved but in Cameron now I've seen them gravel paved streets. The process is known as "Inverted McAdam" and is called by the city engineer a "Seal Coat." It is designed to save the streets and will be fine when the last of the loose gravel and dust has been swept and washed away.

The Honorable Bob Poage dropped in Tuesday. It has been twenty years since he first became your Representative. I know I was there. Had political ambitions of my own in '36. They were squelched.

"Hit the hay" is out of date according to my country sister who says that the stuff is too expensive to sleep in.

Changes for the church calendar are invited immediately so we can get them all changed at the same time.

YOE PEEKS is a name suggested for a column in the Yoe High Chant. Believe it is a fine name and a good idea if they'll just peek in on the Cameron Herald more often.

Dr. George Bowman says it is "Like pulling eyeteeth" to go back to work in his dental office after a first meal such as served at the First Christian Church on Tuesday to the Lions.

I'll sign "Thirty" to Peeps and just hope to give with volume two at a later date.

Today's Text—The Lord is my strength and my shield; my heart trusted in him, and I am helped.—Psalm 28:7
Dear Lord, we pray for that nobility of soul that would be pleasing to thee. May the Holy Spirit dwell in us richly to strengthen us day by day. For Christ's sake.—Amen.

Completion Date April 1957 On 8,125 Square Feet Floor Space Safeway Contract Let For Food Store On West Fourth

Safeway Stores today announced the completion of plans to construct a new retail store on its West Fourth Street property in Cameron.

Glenn Zirkle, District Manager for Safeway's Cameron Store, announced that construction will begin on the new building September 26.

The Hooker Construction Company, of Waco, was the successful

bidder for the building and parking lot construction.

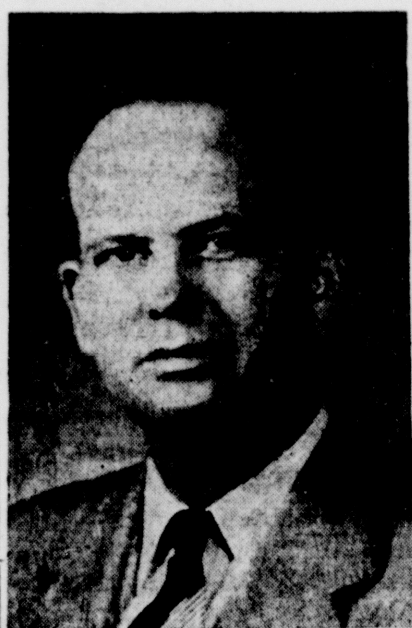

Safeway's new store will contain 8,125 square feet of floor space. The interior will be decorated in the gay pastel colors now used in Safeway's new stores.

New and enlarged departments will feature the many improved display facilities developed for modern food retailing. Many new developments in food handling

and processing will be included in the equipment of this store.

The exterior styling will be modern in design, utilizing a masonry finish with field stone trim. Off-street parking facilities will be constructed for 85 cars.

Completion of the new Cameron store has been tentatively set for April, 1957.

Milton S. Fuqua

Southwestern Bell Promotes Milton S. Fuqua To Taylor

Milton S. Fuqua, who has been Wire Chief of Southwestern Bell Telephone Company in Cameron for the past four years is being transferred to Taylor on October 1. He has been appointed Wire Chief for Southwestern Bell in Taylor in which capacity he will supervise the plant operations for the Taylor and Elgin Telephone Exchanges.

Fuqua has 13 years of service with Southwestern Bell and during this time he has held seven different positions. His new appointment is an important milestone in his career.

Fuqua was born in Bryan and started his telephone career there on April 1, 1935 with the Southwest States Telephone Co. In 1943 he went with the Southwestern Bell Company at Eagle Pass, Texas. This work was interrupted by a call to military service where for some two and one-half years.

Harold D. "Doug" Jones

Harold D. "Doug" Jones comes to the Southwestern Bell Telephone Company in Cameron from Austin where he has been a plant staff assistant to replace Milton S. Fuqua as wire chief of the Cameron office.

Jones is a native of Groesbeck, Texas, is a graduate of Freepoint High School and Texas A and M College. He entered the military service for a two year enlistment in 1951 and now is married and has one son Charles, 4.

Jones and his wife, Margaret, will move to Cameron as soon as they find a place to live.

Fuqua's knowledge of communications was put to good use as he maintained army communications equipment. He returned to the Southwestern Bell Company at Laredo in May of 1946.

In June, 1941 Fuqua married Miss Rachel Jenkins at Brownwood and today they have a daughter, Annette, 9. The couple is house hunting in Taylor at this time, and will move when it is located.

Yoe Trimmed 7-6 As Brenham Guard Blocks Extra Point

Yoemen dropped a ball game to Brenham by a score of 7-6 Friday night only because they consistently dropped the ball at crucial moments.

Guy Dillon led in ground gaining and in ball dropping. He had a 10½ yard average on twenty times carrying the ball or 130 yds. for the 20 carries. He dropped the ball or had it tackled out of his clutch several times that ultimately cost the ball game by the psychological route. Just when a touchdown was in the offing the anxious and sturdy Cameron back had the ball fly from his arms only to be recovered by the Brenham lads. This turn of fate was undoubtedly responsible for the morale and fighting zip of his teammates taking a nose-dive and so they were only able, by stiff determination to just hold on where their original punch could have carried them on to a glorious two or three touchdown victory.

One Hurt As Two Cars Collide On North Fannin

Mrs. Edwin Zawadzke, driving a 1954 Ford was in a collision with a car driven by Jerry Rice at the intersection of the Country Club Road and North Fannin at about 3:30 p.m. Tuesday.

Mrs. Zawadzke of the Curry community was hospitalized for scratches and bruises suffered when she was knocked out of her car and dragged in the gravel for a distance. She is expected to be held for observation at St. Edwards Hospital for several days. The Ford was hit at the rear door by the 1955 Pontiac driven by Rice, manager of the Country Club. He was uninjured.

The Ford was travelling north on Fannin and the other car east on the country club road when the latter collided. No charges were filed, both were insured.

The accident was investigated by Deputy Sheriff Douglas Barron and Mrs. Zawadzke was picked up by a Marek-Burns Ambulance.

The Yoemen excelled on the ground with a 14 to 11 edge in the first down department. They drove twice in the first quarter to

the foe's two and ten yard lines only to lose the ball by the fumble route. In the second quarter the Yoe push went to the Cub 13 before dame fortune dictated a miscue by H. Marek and the ball went over. In the third stanza the Yoe march was halted on the Cub 29 with a clipping penalty for a switch. This penalty turned a nifty 39 yard sprint over right tackle by the stalwart Guy named Dillon into a 15 yard loss. But not to be denied the Yoemen came right back and with Marek netting 25 yards and Dillon 27 on six carries the final thrust for four yards was good for the Yoe tedee but the extra point from Kirk's toe

See Yoemen - Back Page

Coleman Duncum Wagon Boss On Chisholm Trail Ride To Waco

Twenty-nine Cameron Saddle Club members hit the trail for the kick-off of the Heart O' Texas Fair in Waco Wednesday night.

Coleman Duncum, Wagon Boss of the entire ride which leaves Lott gathered his hands and moved into Lott Wednesday (last night). At 5 p.m. there was an inspection and at 5:30 a warm-up parade.

The entourage leaves Lott today at 5:30 a.m. for a ride up the Chisholm trail to the ranch of the trail boss Jess Radle.

Noon Chuck today will be at Rosenthal.

On Friday they will reach Waco go through the business district and stop at the Heart O' Texas Fair grounds.

A supper and street dance at

Members of the City Council and several citizens of Cameron were led in a panel discussion of the water and sewer bond election to be held next Saturday in the amount of \$550,000, by a former Consulting Engineer and present Vicar of the All Saints Episcopal Mission in Cameron, the Rev. Richard Jeter Bradshaw, at 1:30 p.m. Sunday.

The panel discussion follows:

MR. BRADSHAW: First of all before calling on the gentlemen of the panel to ask questions which they might like to ask I would like to make a short statement of my own in regard to my findings in studying this report, which I have read, which Mr. Rady and his associates have made for our consideration. It is very seldom that two engineers will agree on any particular proposed project however I must say that I agree with Mr. Rady in his report and everything that he has stated in this report that we need IS NEEDED and that I feel that he has been very charitable to us in utilizing many of the things of the present system which I possibly would have done away with and installed new Mr. Rady has gone into a much deeper study than I of the present system. I would therefore endorse Mr. Rady's suggestions and I hope that the City of Cameron will see to it that this work is soon done. There are many questions being raised around town and at this time, I would like to ask any of the citizens if they would like to ask any of members of the city council and me questions with regard to this proposed bond issue that we will vote on next Saturday. If you have any questions please call 456 and if you call before the end of this program those questions will be handed to us and the council or those of us present will try to answer those questions to your satisfaction.

Gentlemen do you have any questions you would like to ask of the council in regards to this project?

Mr. E. A. Perrin: What does approved water for any city mean? We see these signs as we go up and down the highway. What is APPROVED WATER SUPPLY?

Mr. Thompson: Approved public water supply means that the Texas State Department of Health after investigations have been made and after operating procedures have been followed to such extent that water is reasonably safe for human consumption.

Mr. Perrin: Now it is a fact that our water supply is not approved is that not correct?

Mr. Thompson: That's right. We don't have the plant facilities whereby to operate to warrant the approval of the state department of health.

Dr. Bowman: Is it true that taxes will not be increased if this bond issue is approved?

Councilman Brady: No. The taxes are not to be increased, the water rate will be increased on part of the consumers.

Mr. Perrin: The thing that I have heard on the streets more than any one thing and I think that possibly we can clarify it here is (but first I want to make this statement—that any question that I ask is for information because I am one hundred percent sold on the fact that we've GOT to pass this bond issue to make the improvements that I know are necessary. Anyone who has been using the water supply or anyone who has visited the river supply of water that we are using knows that we have got to do something about it but the question I heard most on the street is this. Why is it that they are voting a TAX BOND ISSUE and not a revenue bond issue?

Councilman Griffith: That is easy, we get a better rate of interest on tax bonds we set aside tax bonds but it is to be paid out of water revenue. There will be no raise in taxes.

Mr. Perrin: We previously issued revenue bonds and in order to issue additional revenue bonds we would have to take up the old bonds and they bear a very cheap rate of interest and if we took those up at this time and bought bonds on a revenue basis the interest would be so high that it wouldn't be good business to do that. On the contrary we can vote a tax bond and pay for that bond, not with taxes collected but with revenues collected from the water and thereby it is a good business move and not done for any other purpose is that right?

Telephoned question: When was the present water system purchased by the city?

Mayor Weems: 1950.

Mr. Bradshaw: Can you tell me what capital improvements have been done on this system

since that time?

Mayor Weems: We put in a new water tower and some new water lines but I don't know exactly the cost of them.

Mr. Brady: The bonds were voted on April 18, 1950 for \$425,000 and on May 1 the city sold \$300,000 worth of bonds to make that purchase and to take care of the engineering fees.

On March 25, 1953 they sold an additional \$50,000 and used their remaining balances to put in a water tower, a ten inch line from the settling basin to the tower and a loop from the tower to the Green addition and also in the southwest portion of Cameron for additional water supply.

Mr. Bradshaw: It has been brought to my attention that there was a three year delay in the construction of this work on the water tower and a few other improvements to the water system that this all came out of the 1950 bond issue. Realizing that none of you were on the council at this time I would still like to ask the question: Do you know why this delay was allowed between the time of the bond issue and the time these improvements were made?

Mayor Weems: At that time I was on the council but Mr. A. N. Green was Mayor. He delayed it for some reason I couldn't tell.

Mr. Brady: I suppose it was for economy. The mayor and council just guessed wrong. If the material had gone down instead of up we would have had a filter plant at this time. But a great many people made a mistake at that time and instead of having a depression as an aftermath of the war the prices went up.

Rev. Bradshaw: The question that has been put to me has been a matter of skepticism; how soon after the voting in of the bond issue, if it is voted in, will this work be done? Or will it be done in the immediate future?

Mayor Weems: I imagine that the city council will go ahead just as quick as the bond issue goes over and the necessary papers have been signed and start the project.

Mr. Bradshaw: The people would like to have some guarantee if possible that this work will be done. What guarantee can you as the city council and mayor give to the people that this work will be done?

Mr. Thompson: As a councilman it is definitely my intention that if this bond issue goes over we definitely want to go forward with the whole construction program as fast as construction contracts can be completed. I don't have anything in my mind that would disturb future construction if financial arrangements can be made.

Youth Is PTA Bond, His Welfare The Goal, Self Education The Means

If you want an opportunity to unite with others in a program devoted to the education, welfare and protection of the children and youth of our community the Parents-Teachers Association needs you.

Objectives of the Parents-Teachers Association are:

1. Purpose
To promote the welfare of children and youth in home, school, church and community.
2. Parent Education
To raise the standards of home life.
3. Legislation
To secure adequate laws for the care and protection of children and youth.
4. Cooperation
To bring into closer relation

the home and the school that parents and teachers may cooperate intelligently in the training of the child.

5. Public Opinion
To develop between educators and the general public such united efforts as will secure for every child the highest advantages in physical, mental, social and spiritual education.

GUIDING PRINCIPLES OF PTA.

1. The welfare of children and youth is the objective.
2. Financial support of the schools is a public responsibility.
3. Policies are decided by the organization as a whole.
4. The work of the association is shared by mutual agreement.
5. Entertainment and money making are of minor importance.

6. Personal grievances are adjusted in private conference.

THE PARENT-TEACHER ASSOCIATION IS

A volunteer organization, free from individual or group control.

Marine Absneider Has Month Leave, Visits Injured Dad

George Absneider, son of Mr. and Mrs. Louis Absneider, 701 S. Austin in Cameron, is at home on a month leave from his station in the U.S. Marine Corps in Camp Pendleton, California. He is a mechanic in the corps.

His father was injured while at work clearing right-of-way on the Santa Fe in Temple. He sustained severe lacerations and possible fractures to his right hip, pelvis, bone and right ankle. He is in the Santa Fe Hospital in Temple.

M. H. Baylor Night Class Enrollment Now Open

Classes for the fall semester at Mary Hardin-Baylor began Monday, with a decided increase in enrollment, President Arthur K. Tyson said today.

Registration for evening classes opened on Tuesday, September 18. Courses which are being offered are educational psychology, English, religion, physics and journalism.

Council—Citizens

Mr. Bradshaw: Mayor Weems how do you feel about this?

Mayor Weems: Well that is the way I feel about it. I am certainly 100 percent for going ahead and signing all the necessary papers just as soon as necessary arrangements can be made. I can't see any reason why the council would want to delay it.

Mr. Charles Freeman on telephone: Why won't the \$125 minimum water rate be increased?

Mr. Thompson: At the present time the \$125 minimum is paying a higher rate than anyone else anywhere and by leaving them as they are they will be more in line with those paying the increase.

Mr. Perrin: I have heard some statements that we would be able to get government aid. Will that be in addition to the \$550,000 or will that be a portion of the \$550,000? And how much government aid can we get?

Mr. Brady: The government aid will be in addition to the bond issue. It will be 30 percent or in the neighborhood of \$30 or 40,000.

Mr. Thompson: That \$30 or \$40 thousand dollars that we might possibly get is on the pollution control money set up by the Federal Government and that is only the disposal plant itself and does not include the system or the mains of the town and inasmuch as it is in a federal program and we don't have a formal commitment that we will get that we will use it if we can get it and even so this bond issue does not call for enough money for the sewer system to do everything that Cameron would like to have so if we get \$30 or \$40 thousand more we would have enough to make extensions. We would still have plenty of places to spend it.

Rev. Bradshaw: As I understand the report of Mr. Brady, only a portion of this work will be done immediately and that is what we are getting the bond issue for right now is that correct?

Mr. Thompson: That is right. The preliminary engineering data indicated that there was considerable more work that needs to be done and within the next two years more than \$550,000 worth but we feel that this amount will give us an adequate system, for water and sewage disposal at this time.

Rev. Bradshaw: It will give us a good system but it will not give us a what we would classify as a Class one or a Class A system right now, in other words we would not do away with the old system but are moving in and putting the necessary additions to it that we need now, is that correct?

Mr. Thompson: I would like to call you on that first class. Anything we do in a filtration plant, for the water, if I have anything to say about it will be first class.

Question (telephone): Will this affect our future bonding capacity?

Answer: Our future bonding capacity was covered in the report and future acceptability was given consideration, plus probable interest rates on Cameron bonds on the current market.

Mr. Thompson: The city does have considerable bonding capacity left. You can add to these bonds later without recalling outstanding bonds.

Telephone question: Is there to be a filtration plant and if so do we have sufficient land?

Mr. Griffith: The cost of the land is included in the bond issue.

Mr. Perrin: I have no more questions but while there are a number of the city council here as a citizen I'd like to commend them on their efforts to give the city a good water supply and a good disposal plant. It is not only their responsibility and the reason I am complimenting them is because they not only bestirred themselves to work up the plan and they are trying to get the information to the citizens which will cause them to feel that the plan is essential. That is commendable for any council and I as just one citizen would like to thank them.

Dr. Bowman: I would like to say that the mayor and the councilmen individually, the mayor as their spokesman, has said that the work will be let for bids immediately upon the sale of the bonds and that seems to have been the question in the minds

of many people.

Rev. Bradshaw: There is one little item that was brought to my attention by a lawyer and that is in regard to the previous bond issue that was held up for a great length of time, as I understand it, by the lack of a former mayor's signature that it is possible where the bond issue is passed and the mayor or whoever is responsible for getting the work underway or for the sale of the bonds, if he refuses, it is possible to issue a writ of mandamus on this person and demand that he sign it. I do not know personally, since I was not here, why this was not done before on the previous bond issue.

The people of Cameron are protected in this respect because in the event of any default on the part of the mayor or councilman or anyone involved the law is strictly on the side of the people and this work can be forced to be done immediately at the demand of the people.

Mr. Perrin: I wish someone would state the date of the election.

Patterson: That will be next Saturday, Saturday the 29th.

Mr. Brady: I would like to thank Rev. Bradshaw for his very kind consideration and help in presenting this program.

THE FUTURE OF WATER IN TEXAS

WEALTH TO CREATE NEW DAMS

Cities and towns along the Brazos can grow for the next half century, at least, if their water supplies keep pace, the Brazos River Authority reports. The Authority's Six-Dam program is designed to create an assured supply of 700,000 acre-feet initially and 1,500,000 acre-feet ultimately, against a present dependable supply in the lower river of 420,000 acre-feet. Cities thus will be able to draw on a quadrupled water supply when the full conservation program is in effect.

A LAND OF LAKES IN TEXAS

The reservoirs proposed under the Brazos River Authority's Six-Dam Program will bring an influx of recreation seekers to the heart of Texas. Water recreation, a major tourist attraction, the Authority points out in a recent publication, is still a novelty to the Southwest. Fishermen, boat enthusiasts, and lakeside cottagers will have new playgrounds, and they will flock to the remodeled Brazos to join Valley dwellers in making use of the 250-mile chain of lakes created by the new dams. Such recreation facilities will build new property values on a vast scale.

DAM PROJECTS WIN APPROVAL

The Brazos River Authority's Six-Dam Program for development of the Brazos River has been approved from both engineering as well as economic standpoints, the Authority reported in a recent publication. The program has been confirmed in detail by leading water-engineering firms and consultants.

Milam County Woman Contributes To Farm Publication

Mrs. Raymond Barkmeyer, of Temple 1, Burlington, is a contributor to the current issue of FARM JOURNAL magazine.

Mrs. Barkmeyer submitted the following "trick" to FARM JOURNAL's regular monthly column of "Slick Tricks For Homemakers":

The potted plants to support with long green, uninflated balloons. Balloons will not be noticeable among the leaves and will stretch as the plant grows.

INTRODUCING: Kathy Ann Shoppe, 3 pound 14 ounce lady born at Newton Memorial Hospital on September 1.

Welcoming Kathy are four proud brothers, Jerome 9, Michael 5, Alphonse Jr. 3 and Bobby

13 months.
Mr. and Mrs. Alphonse Shoppe are the parents. Mr. Shoppe is Agent for Sanitary Milk in Cameron.

Glaser and Mr. Adolph Jurca.

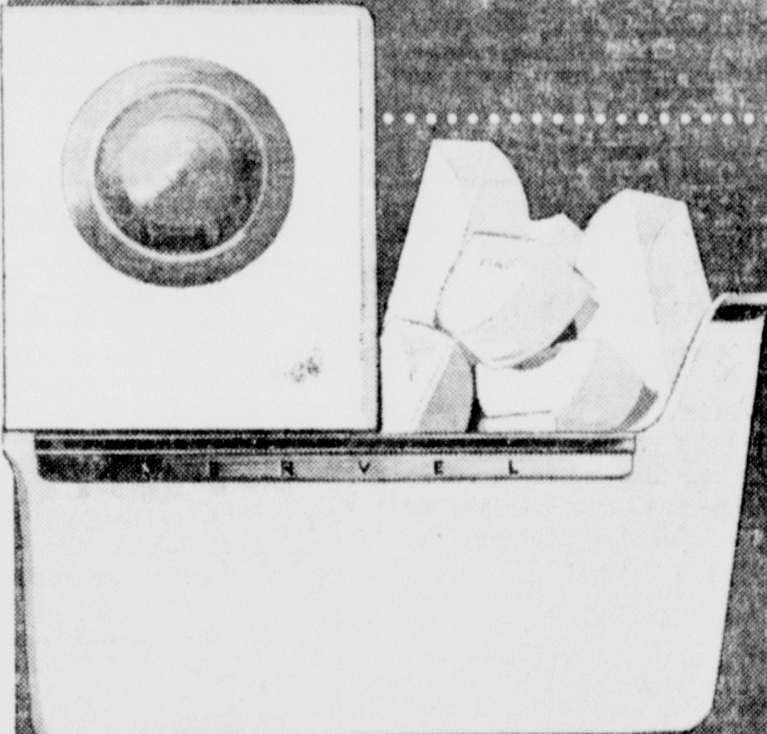

James Cargill and James Edward Glaser went to Waco to show their hogs, in a Sears sponsored show. The show was held at the livestock barn of the Heart Of Texas Fair Grounds. Out of five counties James Cargill won first place with his gilt and James Edward Glaser won first place with his boar. Each will receive a check for \$40.00.

A hybrid sentence is the latest thing out in the Sixth Grade English class. John Ray Zajicek, son of Mr. and Mrs. John (Constable) Zajicek read a sentence out of the textbook. Asked by the teacher what type of sentence it was he replied "It is a DECLARROGATIVE sentence."

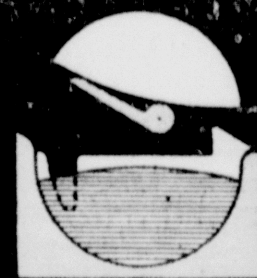

Dwight Fuchs was elected president of the Seventh Grade, Friday

Other officers are Johnny Skriak, vice president; Judy Wall, secretary; Cathie Gersback, treasurer; Glenda Weber, reporter; Pat Wallace, Social Chairman; Jack Ruzicka, Fire Captain; David Weber, Assistant Fire Captain and Mr. Max McClaren, sponsor.

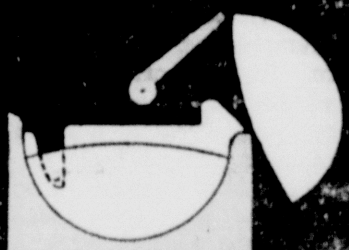

Here's the MIRACLE of making ICE CUBES... AUTOMATICALLY!

The miracle of automatic ice-making! Frozen ice circles are scooped from the mold — which refills with water, automatically.

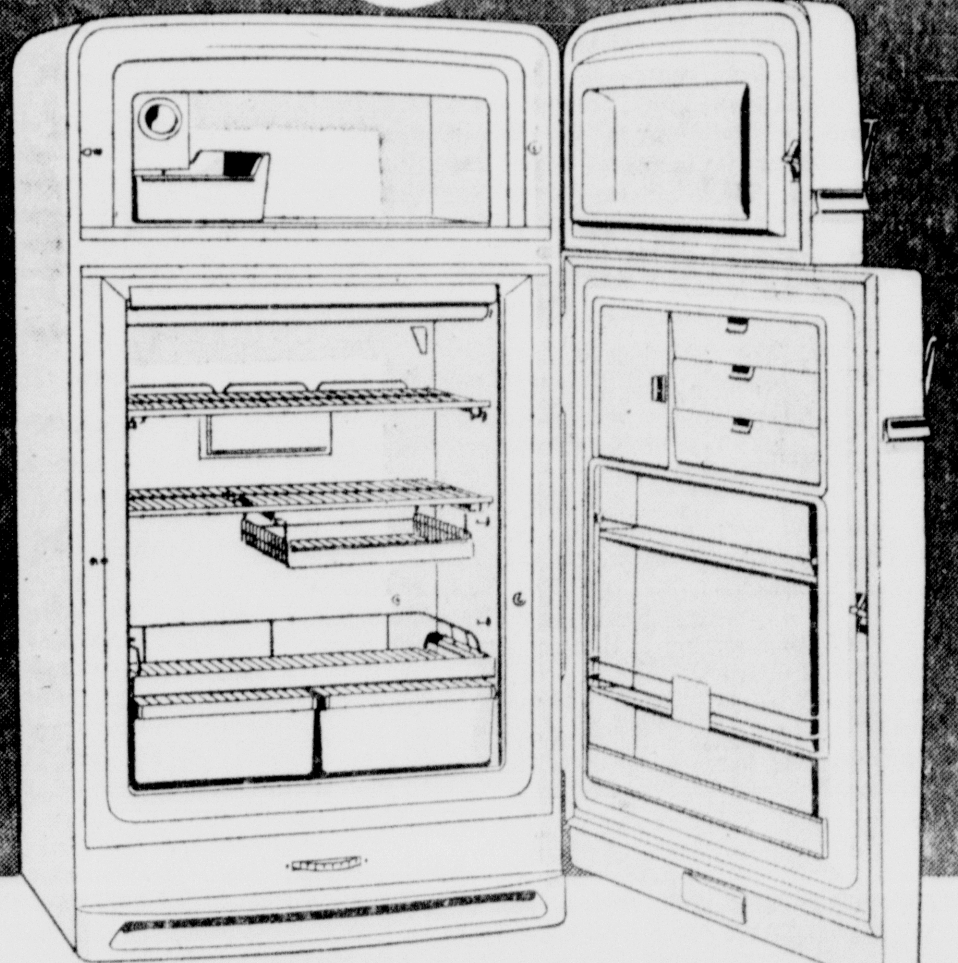

Ice circles dry completely — preventing sticking together in storage basket.

Ice circles slide into basket. When basket's full, freezing cycle stops — starts again as circles are used — automatically.

SERVEL gas ICE-SERVER REFRIGERATOR

10 Year Guarantee on Freezing System

A tiny gas flame does all the work — silently, dependably and economically. No moving parts to wear out, cause noise and expense. You are assured of years and years of silent, repair-free service.

No other refrigerator is so automatic or so modern as the '57 Servel Gas Ice-Server

No servant ever served you so completely as your automatic Servel! It stores so much, so handily... saves you steps and shopping trips.

Servel's "bottomless ice basket" gives you an always ready supply of frosty-dry ice circles. Take one, or a basketful — there's always plenty!

Today, see Servel... it's years ahead of any other refrigerator! 3 appliances in 1... Automatic Ice Server... Separate Spacious Freezer... Self-Defrosting Refrigerator.

All the Most-Wanted Features

- Automatic Defrosting
- Even, Deep-Cold Freezer
- Dew Action Fresheners
- Adjustable Roll-out Shelves
- In-A-Dor Storage
- Quick Cold Shelf
- Color Balanced Styling
- Trip Saver Handle

Anita Archer

Cameron Rainbow Assembly Formed Election Held

An Assembly of the Order of the Rainbow for Girls sponsored by Cameron Chapter No. 553 O.E.S. was recently instituted in Cameron under the direction of Miss Martha Marie Whitfield, Supreme Inspector in Texas before a large crowd of Masons and Eastern Stars and visitors from Temple, Killeen, Irving, Waco, Hearne and Rockdale.

The Installation of Officers which followed was presided over by Miss Marijo Williams of Irving Grand Worthy Advisor in Texas. Other Grand Officers assisting in the ceremonies were Misses Carolyn Carter of Waco, Sandra Sue Jackson of Killeen, Evelyn Whitely of Temple, and Past Worthy Advisors, Misses Loretta Westbrook of Hearne, Rita Reid of Cameron, and Present Advisor in Rockdale Assembly No. 252, Carol Ann Sanders of Cameron. Miss Betty Copeland of Temple was Musician for the evening.

Miss Martha Lois Havlik of Temple sang two numbers dedicated to the new Assembly and to Mrs. Whitfield, and she was accompanied by Miss Juanita Jez of Temple. The song "I'll Walk With God" was sung by Miss Barbara Jo Young of Cameron accompanied by Mrs. Allena Tiller and dedicated to the first Worthy Advisor, Miss Nita Archer. Nita is the daughter of Mr. and Mrs. B. L. Archer of Cameron. She is a Senior at Yoe High School and participates in many school activities.

Anita is presently editor of the annual staff at Yoe, is a charter member of the Rockdale "Order of the Rainbow" and was until her demit an active member, serving as an officer. She is a member of the First Christian Church and plans to enter Texas Christian University in September 1957.

These thirty two other Cameron girls who are Charter Members were installed in other offices and the choir: Helen Reid, Rita Reid, Dorothy Kelly, Kay Camp, Paula Jean Thompson, Cindy Curtis, Carroll Frances Moore, Peggy Hightower, Gail Griswold, Dar-

lene Moore, Eileen Jacks, Linda Schiller, Judy Sutter, Marilyn Hughes, Vera Ann Perrin, Jean Lester, Ann Clements, Mary Kestebaum, Carole Heitman, Beverly Schiller, Bobby June Edmonds, Jane Russell, Sandra Baskin, Rebecca Harden, Frances Jackson, Betty Kestebaum, Linda Kirk, Suzanne Lippman, Peggy Mullinax, Margaret Nance, Nan Reno, Annette Russell.

Mrs. Virginia Sanders was installed as Mother Advisor, and the following were named Advisory Board Members: Mesdames Gertrude Harsha, Dorothy Thompson and Jewel Williams, and Messrs. B. L. Archer, J. D. Moore, Frank Reid and Dean White.

Sara McCalla Chapter Hears Judge Gunn

In keeping with Constitution Week September 16-22, the Sarah McCalla Chapter Daughters of the American Revolution heard Judge Gunn discuss the Constitution.

The group met at the home of Mrs. Henry Hefley September 20. Mrs. Hefley is chapter regent. Judge Gunn, whose talk served to enlighten the members on the laws of our land as set down in the constitution, was introduced by Mrs. W. H. Gillis, program chairman.

During the business meeting of the patriotic organization, members voted that the DAR library be moved from the home of the late Mrs. B. J. Baskin, former regent and librarian of the Sarah McCalla chapter. The new library will be established in the home of Mrs. John Henderson.

Included in Constitution Week activities of the chapter, placards bearing the preamble of the Constitution were placed in local business houses, the school cafeteria and the public library. During the week a part of the Constitution was read daily over Radio Station KMLL. Stickers for cars containing parts of the Constitution were distributed to the high school student body. Mrs. Gillis directed these activities.

The hostess served cake squares and ice cream at the close of the meeting.

Mrs. Otis Charles Heads Tracy-Duncan Home Demonstrators

The Tracy-Duncan Home Demonstration Club met with Mrs. Otis Charles Wednesday afternoon. The following officers were elected: Mrs. Otis Charles, president; Mrs. Joe Brown, vice-president; Mrs. Ralph Caffey, secretary and treasurer; Mrs. Lorena Offield, reporter; Mrs. George Young Sr., Council delegate. Members turned in their yearly reports.

For recreation a Bingo game was played. The hostess served refreshments to 12 members.

Mrs. Jack Dunham will be hostess for the club Wednesday, Oct. 3.

Garci Ann Wilson Named Brownie Troop 7 President

Officers were elected by Brownie Troop 7 at its first meeting on the grounds of Ada Henderson School on Wednesday, September 19.

Carol Ann Wilson was elected president; Donna Du Bois vice president; Frances Thompson Secretary and Peggy Mann reporter. Mrs. Conrad Jekel is Troop Leader.

Members present other than the officers were Patsy Marburger, Cynthia Hickman, Cathy Schofield Susan Edmonds, Judy Hawks and Jo Ann Anderson.

Don Heugatter Made Burlington 4-H Club President Friday

Don Heugatter was elected president of the Burlington 4-H Club at its Friday September 21 meeting attended by Lester Byrd, assistant County Agent.

Vice President is William Foshie, Secretary is Glendal Westbrook; Reporter, Wayland Dornier and Song Leader Tommy Futcheck. Mrs. Ray Schonhoefel will be the Adult Leader.

Regular meetings of the club are on the third Thursday of each month.

Mrs. Niley Smith Attends A&M Mother Federation Meeting

Mrs. Niley Smith attended the initial meeting of the Executive Board of the Federation of Texas A and M College Mothers' Club, in the place of the delegate Mrs. O. G. Tumlinson, on September 15.

The meeting was on the A and M Campus in the Memorial Student Center. Mrs. Frank Milstead, from Tyler, president of the Federation, presided.

Mr. Wayne Stark, Director of the Memorial Student Center, and Dr. Lyons, School Physician, gave an outline of the projects for the coming year. Dr. Lyons spoke on the renovating of the hospital building, the addition of Doctors to the staff, and Mr.

Stark told of the projects the Mothers' Club could assist in.

Nine board members and sixteen club presidents attended.

Plans were made for the coming year's activities and for the next Board meeting of the Federation on February 11, 1957.

Edgar R. Plemper

Edgar R. Plemper Is Caldwell Lone Star Gas Manager

Edgar R. Plemper, Burleson County native, has been appointed local manager for the Lone Star Gas Company at Caldwell where he was reared. He succeeds W. Q. Plant, a nine-year Lone Star employee, according to an announcement by District Manager C. M. Burke of Cameron.

"Mr. Plant has been transferred to Cameron where he will continue work for the gas company," said Mr. Burke. "He has done a fine job for Lone Star in Caldwell, having come with the company in May of 1947 as a member of the construction crew that installed the local natural gas distribution plant."

"Borrowing his own words, Mr. Plant is 'personally acquainted with practically every inch of pipe in the Caldwell natural gas system.' The many friends he has made here and his devotion to the community stand as a tribute to the good citizen he is."

In his new post, Mr. Plemper will be in charge of natural gas service and maintenance operations for some 900 residential, commercial and industrial customers in Caldwell.

Mr. Plemper returns to Caldwell from Cameron where he began his Lone Star career in 1947 as a utility man. He was promoted to serviceman in 1951. In 1955 he was placed in charge of appliance installation and service for the entire Cameron district. He is a specialist in servicing gas air conditioning systems.

Born at Somerville, he was graduated from high school in Caldwell and received a degree from the Durham Business College at Austin. His parents are Mr. and Mrs. Rex Plemper and the family has resided in Burleson County 65 years.

Mr. Plemper has been active in work of the Baptist Church at Cameron, having served as associate superintendent of the Sun

day School department and sponsor of the Training Union for young married couples. He is a member of the Caldwell Masonic Lodge.

Prior to going with Lone Star, Mr. Plemper operated an appliance repair business in Caldwell. Other employment was at the Bryan Air Force Base and Porter's Gin and the Triple-A office in Caldwell.

He is married to the former Miss Ruby Hearne, Caldwell native. They have two children, Rickey, 10, and Deborah Sue, age 5 years.

"Ramblin Recks" At SMU On Humble TV Oct 1 & 2

Football highlights from Southwest Conference games and outboard motor boat races will be featured next week on The Humble Company's TV program, Texas in Review.

Kern Tips will narrate the football highlights which will be taken from the SMU-Georgia Tech and Baylor-Texas Tech games this Saturday.

Outboard motorboat fans will be interested in action shots from the Southwest. Championship Outboard Motor Boat Races on Sunset Lake near Corpus Christi.

Texas in Review can be seen Tuesday (October 2) Texas in Review can be seen over KTBC-TV, Austin, 7:00 p.m.; KGEN-TV, Temple, 7:30 p.m.; KWTX-TV, Waco, 7:30 p.m.

Annapolis, West Point Entrance Exams Offered

Senator Lyndon B. Johnson has announced that Civil Service examinations for Texas boys seeking appointment in 1957 to the Army, Navy and Air Force service schools will be held November 20 at 71 cities and towns throughout the state.

The Senator uses the results of these examinations as a guide in making his appointments to the military academies.

Entrance requirements vary, but all three academies require that appointees be United States citizens. In the case of applicants to be considered by Senator John

Statement required by the Act of August 24, 1912, as amended by the acts of March 3, 1933, and July 2, 1946 (Title 39, United States Code, Section 233) Showing the ownership, management, and circulation of The Cameron Herald published Weekly at Cameron, Texas for October 1, 1956.

1. The names and addresses of the publisher, editor, managing editor, and business managers are: Publisher, Milton F. Brown, Jr., 108 East First Street; Editor, Milton F. Brown, Jr., 108 East First Street; Managing editor, Milton F. Brown, Jr., 108 East First Street; Business manager, B. Hunt White, 108 East First Street.

2. The owner is: (If owned by a corporation, its name and address must be stated and also immediately thereunder the names and addresses of stockholders owning or holding 1 percent or more of total amount of stock. If not owned by a corporation, the names and addresses of the individual owners must be given. If owned by a partnership or other unincorporated firm, its name and address, as well as that of each individual member, must be given.) Milton F. Brown, Jr., 108 East First Street.

3. The known bondholders, mortgagees, and other security holders owning or holding 1 percent or more of total amount of bonds, mortgages, or other securities are: (If there are none, so state.) Esther Belle White, 108 East First Street.

4. Paragraphs 2 and 3 include, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting; also the statements in the two paragraphs show the affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner.

5. The average number of copies of each issue of this publication sold or distributed, through the mails or otherwise, to paid subscribers during the 12 months preceding the date shown above was: (This information is required from daily, weekly, semi-weekly, and triweekly newspapers only.) 2841.

B. Hunt White. Sworn to and subscribed before me this 25 day of September, Geraldine Switzer.

son, they must be residents of Texas. They must be between the ages of 17 and 21 years upon entry must be single and must pass a rigid medical examination and a physical aptitude test. Candidates for the Air Force Academy must be able to pass the medical examination for flying training and a pilot aptitude test.

Persons interested in taking the competitive examination on November 20 are advised to write Senator Lyndon B. Johnson, Senate Office Building, Washington, D. C., not later than October 15.

Judy, Three Years Young Celebrates Birthday

Mrs. George Young Jr. celebrated the third birthday of her daughter, Judy at their home on Monday afternoon.

Favors were candy and balloons. Judy's cake was pink with three cow girl candle holders.

Refreshments of punch and birthday cake were served to the small guests: Ronnie Brown, Shirley and David Laffere, Sharon and Donna Lawson, Carey Wayne Offield, Joanne and Frank Dowling, Cecelia and Bob Von Gonten and Steve and Judy Young.

Also Mesdames W. E. Brown, Leroy Laffere, J. L. Modesette, Boyd Offield, J. F. Dowling, Roy Lee Von Gonten and Judy's grandparents, Mr. and Mrs. Geo. Young Sr., and Mr. and Mrs. J. D. Kornegay.

Mrs. Mary Radtke's visitors for Sunday were Mr. and Mrs. Harvey Radtke their three son's James, Billy and Mackie all of Houston and Mrs. Mae Tate, Mr. and Mrs. Billy Barton and their two children Laura and Johnny Bar-

ton all of Irving. Laura and John ny are both great grand children of Mrs. Mary Radtke.

INTRODUCING: Jeffrey Clay Smitherman who discovered America on September 19 at Newton Memorial Hospital weighing in at 7 pounds, 4 ounces. His mother is the former Barbara Walton and his father "Unk" Eugene Smitherman, the couple now of Austin, Texas. Grandparents of

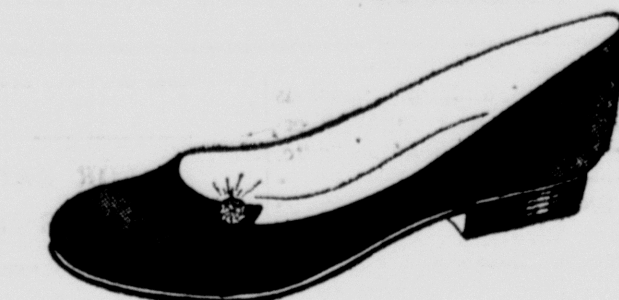

the new citizen are L. L. Walton of Temple; Mrs. W. F. Felix of Temple; Mr. and Mrs. Brant Smitherman of Calvert.

The family of T. W. Grizzard will hold in grateful remembrance the kind expressions of sympathy voiced and written during our recent sorrow.

CAMERON HERALD

A new pond with over 5,000 cubic yards earth fill is being started on District Cooperator Edwin Libman's livestock farm north of Buckholts. This should give him a permanent water supply for his 25 cow herd which he normally runs on this place. The pond is located where most of its drainage area is in permanent grass and will provide an even distribution of grazing. By proper stocking and supplemental grazing on crop land the permanent pastures are in fair condition despite the dry weather. Mr. Libman will cut his cow herd down to 20 head to improve the cover and growth of his pasture grasses.

The Central Texas Soil Conservation District Board of Supervisors approved 23 conservation plans with land owners, covering 5,384 acres of farm land. They also made plans to select the Ft. Worth Press Conservation Award Winners for the Central Texas District in the month of October.

Conservation groups, or communities, will be asked to complete their group score cards and mail them to the board of supervisors before October 20, 1956.

Conservation farmers constructing farm ponds are C. C. Owens, H. G. Barganier, G. H. Beckhusen, R. L. Wittner, Martin Zabick, Frances Bartek and E. D. Day. Allen Moore, Jr., cooperated with the district, whose farm is located in the Keys Valley community, has enlarged his farm pond. He used a bulldozer to move approximately 1,500 cubic yards of dirt, and enlarged the dam and made his pond much deeper. Soil Conservation Service technicians assisted Moore in staking and constructing this pond. Moore also received financial assistance from the ACP at 7½ cents per cubic yard of dirt moved.

Moore, in addition to developing a water supply for his stock, is doing a good job of conservation on his cropland. Most of his land is terraced and a legume, mostly hubam clover, is used in his crop rotation for soil improving.

Cameron Nurse Students Elected Class Officers

Two Cameron girls in nurses training at Providence Hospital, Waco were elected officers of their class recently.

Emily Hubnik, daughter of Mr. and Mrs. Philip Hubnik, Rt. 2, Buckholts was elected Treasurer.

and Ethel Mae Jistel, daughter of Mr. and Mrs. Hubert Jistel, Rt. 1, Cameron was made reporter.

Also beginning her junior year of training is Barbara Johnson, daughter of Mr. and Mrs. Rube Johnson of 1613 East Street, Cameron.

Mary Alvarez, RN, also of Cameron, was chosen by the class as their sponsor for the 1956-57 season. Miss Alvarez is Medical and Surgical Instructor at Providence.

Go To Church On Sunday

Secretary of Labor Mitchell says figures show that as of August there were 66.8 million workers employed in the United States. Highest in history.

D3W (Three way strain cross) Ideal hens were edged out by those of the Griffin Hatcheries of Tennessee by 1.90 points and the Texas and their owner, Leo Fuchs down to the finish in Oklahoma A and M laying competition concluded on September 15. The that the judges were forced to

since her illness is her daughter, Mrs. Harvey Sloniker of Boulder, Colorado. She was accompanied by her son, Harvey Sloniker Jr., who returned home Sunday. Mrs. Sloniker will remain here until her mother's health is restored.

Mr. and Mrs. Lad Zavrel and daughters, Patsy and Nancy were visitors in Granger Sunday as guests of Mr. and Mrs. Johnny Hajda.

Mr. and Mrs. Wm. Lock of Rogers and daughters, Mrs. R. L. Copeland of Temple were guests of Mr. and Mrs. Lee Lock last weekend. The Lock's guests this weekend were Mr. and Mrs. L. A. Warren of Pasadena.

Don't Shoot!

A Whooping Crane on its wintering grounds at the Aransas National Wildlife Refuge in Texas. This bird is one of 27 wild adult Whooping Cranes left in the world. It has wingspread of 7 feet and stands 4 feet tall. In flight the "whooper" shows black wingtips. Because it may be mistaken for other white birds, hunters are asked not to shoot at any large white bird.

Buckholts Brethren Slate One Week October Revival

Revival Services of the Moravian Brethren Church at Buckholts will begin Monday night, October 1 and will continue through Friday night, October 5, each service beginning at 7:30 p.m.

English services will be conducted the first three nights with Rev. Henry E. Beseda, Jr. of Rosenberg being the guest speaker. Services in the Czech language Thursday and Friday nights will be conducted by Rev. Dan Marek of Austin.

Choral selections will be presented by the local church choir, directed by Rev. Johnny Baleika, pastor.

Rev. Johnny Baleika and Rev. Henry E. Beseda, Sr. are pastors of the Buckholts Church. Public invited.

CARD OF THANKS

I want to express my appreciation to everyone who assisted in extinguishing the fire in my pasture last Tuesday. A large number of men from Maysfield and Branchville communities and from Cameron came to our aid, and also the Cameron Fire Department.

Had it not been for the work of these our friends, the damage would have been much greater. Words cannot fully express my gratefulness to each one who helped.

Grady Cooper

GRANDPA BOUGHT

Spectacles!

What grandpa wanted was better vision and he fumbled until he found "specs" that helped him see. Grandpa knew the most valuable thing in his life was vision.

Unfortunately, grandpa didn't have the benefit of professional eye care or of modern, scientifically designed visual aids. Don't fumble for "specs"... see your local professional eye examiner for better vision.

"Silver Spurs" 25th. Prison Rodeo Is Biggest Show Of Its Kind On Earth

Special Box Seats Added For '56 Show

The justly famous Annual Texas Prison Rodeo, "The Biggest Show of its Kind on Earth", will start a four-day Sunday season when it gets underway at 2 p.m. on October 7. This year, the Silver Anniversary of this big fall event, management has provided special commemorative this birthday.

"Only the best performers - inmate and animal - will be put into the arena this year," says Albert Moore, who has served as Rodeo Director for the past 24 years. "Riders will be culled from the more than 135 volunteers for this year's show. Only the best of these cowpokes will be in the arena for the four performances in October. 'Would-be' waddies and second rate riders who do not meet our high standards will be eliminated in a special 'try-out' rodeo, which is no practice session."

An outstanding series of acts, professional rodeo entertainers, have been booked for between event entertainment. Especially featured will be the HENDRICKS FAMILY, doing trick rides, jumps and featuring the zany antics of "Crazy Quilt" and "Patchwork", a trained charger and his canine friend.

Shower Honors Mrs. Lawless Wolle At Robert Ottmer Home

Mrs. Lawless Wolle, the former Miss Willie Jean Mitchell of Temple, was honored with a miscellaneous shower at the Robert Ottmer home Sunday afternoon. Co-hostesses were Mrs. Ottmer, Mrs. Sammie Ferguson, and Mrs. Henry Tomasek.

Alice Marie Ottmer and Helen Pollei assisted in serving.

Barbara Pollei registered the 45 guests.

The Angelina County Mounted

Armed Forces Puzzled At Getting Questionnaires

Standby Reserve Force Being Screened By Selective Service

Members of the armed forces' standby reserve in different parts of the state recently have expressed themselves as "surprised" and "puzzled" upon receiving questionnaires from local draft boards.

Draft boards are beginning administration of a law enacted by Congress in the immediately past session which placed upon the Selective Service System responsibility of screening the nation's entire standby reserve, Colonel Morris S. Schwartz, state Selective Service director, said Thursday.

"Standby reservists, both men and women, are being mailed the questionnaires," Colonel Schwartz said. "By law, these reservists are required to fill out 3 questionnaires and return them to the local boards for use in determining the reservists' availability in time of emergency."

Colonel Schwartz pointed out that standby reservists cannot be called to service unless an emergency is declared by the Congress.

Based upon information furnished in his questionnaire, each standby reservist will be placed in one of three categories:

I-R - available for service.
II-R - deferred because of civilian occupation essential to maintenance of national health, safety, or interest.

III-R - deferred by reason of extreme hardship and privation to dependents.

In time of war or emergency declared by the Congress, the standby reservist in category I-R can be recalled to service by his armed force. Those in II-R and III-R will not be recalled to service unless there is a change in status.

Quadrille will appear in the arena at the first two shows, October 7 and 14. This spot on the program will be taken over by the Longview Mounted Quadrille for the last Sunday shows, October 21 and 28.

dollars to pay ship owners not to use the Suez Canal. If they'll go

the long way around, the U. S. will pay them the difference in cost.

Now it's not my job to pass on these things or to figure out why it's the job of the

United States to rush in and solve every crisis that turns up in the world, although it may be the newspapers' fault, if they weren't so all-fired determined to get all the news and left a few crises unreported and Washington never heard about them, the chances are they might fizzle out on their own, like a tree falling silently in the woods with nobody there to hear it, but when Washington has half a billion dollars to turn loose, I'm interested, doesn't make any difference if I'm not a foreign country.

Here's the thing. I've got a little land in the Soil Bank, but the income from that won't quite see me through. Now I don't have a ship, but thunder, I could start building one, couldn't I? And besides, Washington's not going to back at a technicality. When you're dealing with a threatening crisis, hang the expense.

For a reasonable figure, I'll agree not to send any ships through the Suez Canal. I'll even do better. I'll agree not to send any the long way around, or anywhere. All I want is a little canal money to go with my soil bank money, until the world situation gets back to normal. I figure I'd have a fixed income from now on.

Yours faithfully,
J. A.

Misses Patricia Moraw and Betty Raska, who are attending Durham's Business School in Austin, spent the weekend in Cameron visiting with their parents and friends.

Miss Shirley Warren, who is attending Business School in Austin, spent the weekend visiting with her parents, Mr. and Mrs. L. F. Warren and friends in Cameron.

THIS IS WHERE TOMORROW STARTS.

A new "inner car" gives you a NEW KIND of FORD for 1957! **Coming October 3rd.**

On Wednesday, October 3rd, Ford Dealers throughout the United States will unveil a new kind of automobile!

Cars are involved in every American's life. News of a new kind of car is the biggest kind of news to millions of Americans.

The Big New Kind of Ford is that kind of news... a car totally new in design from crest to trunk lock.

This completely new automotive package will sell at the traditionally low Ford prices.

This makes possible a new high standard of such honest-to-goodness value that it actually increases the purchasing power of your automobile dollar.

When you see it, other cars will look out of date, because...

This is Where Tomorrow Starts... with a Big New Kind of Ford!

The New Kind of Ford is the fullest, most eloquent expression of Ford's special personality—the youthful grace, the whiplash action—and the reputation for durability known wherever there's a road.

To all this we have added true elegance—a kind of elegance never before seen in the low-price field. To make a car truly elegant, you must start deep down inside.

The New Inner Ford

The Inner Ford—the car you cannot see—is a very remarkable structure. Its frame is actually a cradle. Side members extend almost the full body width; they serve not only as supporting members but as concealed side bumpers of immense strength.

The New Ford Body

The new Ford body is a triumph of engineering in steel. The doors close with the solid finality of a bank vault. Even the door-lock button has been moved up front—easier for you to reach, but out of the children's reach.

All these features were engineered to give you a solid new kind of comfort.

The New Ford Ride

The New Kind of Ford sits six people as no other low-priced car has ever sat them

—six elbows wide in each seat, with deep space around each one of six knees. And above all that space, there's hat-room to spare for all six passengers.

The 1957 Ford rides low, solid, with a firm, deep road-holding feel. Yet it's a light-hearted, flight-hearted ride—this car is responsive, nimbly, agile, with a proud easy movement.

The New Ford Choice

Ford offers not only one, but two sizes of cars... each on its own extended wheelbase... each with its own body shell... each with its own styling.

First, the two Fairlane Series on a 118-inch wheelbase. The Fairlane 500's come in 5 body types, a four-door sedan, a two-door sedan, a two- and four-door Victoria with no center pillars, and a convertible coupe. The same body types (except for the convertible) are available in the Fairlane Series.

Second, two Custom Series mounted on the 116-inch wheelbase chassis. In the Custom 300 Series, a four-door and a two-door sedan are distinguished from the Custom models by more luxurious interior

riors and elaborate trim. The Custom Series also includes a Business Sedan.

Beyond all these, you also have your choice of five Station Wagons—the famous glamour cruisers that are the champions in this field!

The New Ford Look

That low, low cradle-span frame means a low, low car. The Fairlane 500 is only four feet eight inches from road to roof! The Custom is just over four feet nine inches!

The new Ford is not only low—but long. Ford gives you more than 17 feet of elegant length in the Fairlane Series, a shade less in the Custom. It's a nice kind of fun just to look at it. It's high-priced in every way except price.

The New Ford Performance

You can have up to 245 wonderful Thunderbird horsepower in any Ford model. There's a moderate—and really moderate—extra charge for this engine of 312 cubic inches with its 4-barrel carburetor.

For "Six" lovers, we've got the 144-hp Mileage Maker Six. Whether you choose Six or V-8, the going is great!

Here is where

your own tomorrow starts

It starts at your Ford Dealer's showroom!

The cars will be there on Wednesday, October 3.

These are the best Fords of our lives.

They are the first symbols out of Detroit of the new automotive age that is beginning for you.

This is where tomorrow starts—at your Ford Dealer's.

This is when your tomorrow starts—October 3rd.

Come in and see us for the Big New Kind of Ford!

Mr. and Mrs. Elbert Westbrooks Gladewater.

spent Sunday in Elgin in the home of a daughter, Mr. and Mrs. Elton Ball and children.

Mrs. Maggie Miller left Monday for a visit with her daughter and family, Mr. and Mrs. Alfred Jistel at Dallas.

Mrs. W. W. McCollum is in Ballinger visiting relatives. She is in the home of Mrs. Davis and Mr. and Mrs. Barnhill.

Mr. and Mrs. Gus Wauer of Temple were visiting in Milano on Monday. They are former residents of Milano.

Mr. and Mrs. Luther Russell and children were passing visitors of their parents here Monday. They were enroute home after a two week vacation in Houston, Ft. Worth and other places. They live in Sweetwater.

Visitors in the home of Mrs. Olive Blackmon Sunday were Mr. and Mrs. Ed Blackmon of Bryan, Mr. and Mrs. Tom Percer of Somerville, Mr. and Mrs. Joe Michael Jr. of Belton, Mrs. Charles McBride of Austin.

Mrs. Ellen Deen was visiting friends in Caldwell Saturday.

Mr. and Mrs. Asa McGregor were Caldwell visitors Sunday in the home of a daughter, Mr. and Mrs. Carl McKnight.

Miss Peggy Ann Divers and Miss Bettie Haddox left Sunday for college. They will attend South west Texas State Teachers College at San Marcos. Both are 1956 graduates of Milano high school. Accompanying were Mr. and Mrs. Johnnie King Haddox, Mr. and Mrs. Nabor Divers, Mrs. Walker Yoakum and Mrs. D. C. Wyman.

Mrs. Clarence Little is in the hospital in Galveston. Mr. Little stays with her most of the time. Ronald Westbrook who is attending school in Brenham spent the weekend at his home here.

Homer Haddox attracted quite a crowd Tuesday by showing a big fish he had caught in the Little River.

Mrs. Clyde Pinkerton spent several days in Cameron Hospital where she had her tonsils removed.

Henry Dykes of Corpus Christi stopped in to see his mother, Mrs. Ida Dykes Monday on his way to

candy were served in the afternoon.

Mr. and Mrs. C. E. Russell spent last Tuesday night in the home of her brother, Mr. and Mrs. W. G. Lock near Rogers.

Mrs. Ora Griffin visited Mrs. Velma Dobbs Sunday afternoon.

First Christian
Chicken-Spaghetti
Menu Tonight At 6

The public is invited to eat Chicken and spaghetti at the First Christian Church tonight beginning at 6 p.m. (Thursday, September 27).

There will be adult and children's plates served and the serving will continue until the supply is gone or the "customers" all finish whichever comes first. The welcome mat is out.

Pictured above are four graduates of the Navy's Centex Company of Recruits. The four are being shown the proper handling of a pair of Navy blues by a Navy Petty Officer.

The Cameron men, reading left to right are Charles Albert Heitman, son of Mr. and Mrs. Lee Heitman; William Caldwell, son of Mr. and Mrs. B. C. Caldwell; Winston Witt, son of Mr. and Mrs. O. A. Witt and at the far right is Benny Kennon, son of Mr. and Mrs. Ben Kennon, all of Cameron.

Kennon and Caldwell will return to the Balboa Hospital at San Diego following their fourteen day leave spent in Cameron on October 4 for corpsman duty. Heitman will be trained at the San Diego Base in Fire Control and Witt will be attached to a Guided Missile Installation at Las Vegas, Nevada.

Secretary, Charles Hollas
Reporter, Joyce Hannon

Contracts Let
An 2 FM Roads
At Yarrellton

A contract for the construction of grading, structures, base and surfacing on Farm to Market Road 1671 and 2269 in Bell and Milam County was awarded in Austin this week, Thomas C. Collier, District Highway Engineer firm of Fred Hall and Son; Valley Mills, Texas submitted the low bid of \$224,788.75 on the project which runs from State Highway 53 in Bell Co., east and southeast to Yarrellton, and from FM Road 1671 north of Meeks School, southwest to FM Road 2269, a distance of 8.8 miles.

Resident Engineer Joe T. Brown of Belton will be in charge of the project for the Highway Department, and it is estimated that the work will take 180 days to complete.

Band Sweetheart
Candidates Vie
One More Week

The contest to select the 1956-1957 Yoe High School Band sweetheart was formally opened on Wednesday, September 19. This contest, an annual affair, will end on Monday, October 8, at 5 o'clock. The winning girl will immediately take her place with the band, and will be formally presented to the public at the half-time show of the Cameron-Caldwell football on Friday night, October 19, at Yoe High Stadium.

The following girls are now actively campaigning for the sweetheart position: Mary Sue Shumate, Ann Clements, Dolores Zalesky, Catherine Mikula, Nancy Buchanan, Mary Edna Bowley, Glenda Sue Grisham, Daisy Henderson, Ina Mae Yates, Sally Alfaro, Betty Butler, Carol Ann Leonard, Johnnie Faye Matthews.

"Americans will fuel the boom this year by spending more than a quarter of a TRILLION dollars for goods and services of all kinds," said the United Press on September 4.

Master Sergeant Dee Hitt
Jr. In 512th F. I. Squadron

Dee Hitt Jr., 37, son of R. T. Delahunty, route 2, Cameron and husband of Barbara L. Hitt of route 2 also, entered the service on October 7, 1939 and is now a member of the 512th Fitehr-Interceptor Squadron at Nellis Air Force Base.

Master Sergeant Hitt served for 31 months in Japan and attended a service school at Kessler Field and is a graduate of Yoe High in Cameron.

His duty assignment now is Hangar Chief.

From where I sit... by Joe Marsh

Changed Her Whole
"Point of View"

Some local high school teachers spent the summer taking courses at the State University. They learned a lot, but one of them—Miss Williams—got homesick.

"To save expenses," she reports, "we chose a hotel that was clean but grim. When I found my window looked out on a coal yard—my heart just sank!"

But, when Miss Williams noticed a pot of geraniums on the window sill—and a note saying "Look at these instead. (signed) Last Occupant"—she decided to stick it out. She kept those flowers

watered and tended to make things that much easier on the next occupant.

From where I sit, it's often hard to adapt to new surroundings—just as new customs often seem strange to us at first. For instance, if you've always had tea with your meals you might find it odd that I prefer a glass of beer. It's OK to prefer what's familiar to you... but also keep an open mind on what's not.

Joe Marsh

Florida Family Moves Here To Supply, Service Electrolux

An Electrolux repair, supply
and service came to Cameron
with Mr. and Mrs. Jerome Smith
and family of four.
Smith and his wife Mildred with
Thomas Lee, 8; Sandra Mae 7;
Jerry Jr., 5; and Lisa Ann, five
months, live at 403 North Bowie.
They came from St. Petersburg,
or a house to call home. They
were born in St. Petersburg,
Florida and are members of the
First Church.

Smith was in the Navy for four
years as a Cook First Class and
served aboard the U.S.S. Minca-
pis in the Pacific with the Seventh
Fleet.

Baptist Youth Structure Begun At Milano

A 3500 square foot Youth build-
ing has begun to take shape at
the Milano Baptist Church. In 1953
while a former pastor was holding
a revival at the church this same
congregation pitched in and built
a frame building used as the edu-
cational building now in one day.
The work at that time was tele-
vised by KTBC Austin.

The church has just finished re-
modeling its auditorium complete-
ly.

The new building will have four
Sunday School rooms and a 40 60
space for recreation.

All of the labor will be done by
church members and any who
will volunteer their labor. Work
will begin at 7:30 each evening.
This being a brick structure the
work cannot be accomplished by
the laymen in the short time in
which the wooden structure was
raised, Rev. Claude Ellis, pastor
said.

Cameron Postal Receipts Show Big Percent Gain

The Cameron Postoffice tied
Big Spring with a 43 percent gain
in receipts in July of this year
over that month a year ago to be
the leading gainers in the state of
Texas, the Bureau of Business Re-
search of the University of Texas
reports.

Killeen dropped 25 percent for
the same period. Corsicana, Kirby
ville and Terrell were the only
postoffices with bigger deficits
than Killeen.

Total receipts in Texas in July
were \$6,096,573, the Bureau said.
This is seven percent less than
the June total but seven per cent
above the figure for July 1955. Of
114 cities reporting to the Bureau
77 showed a July-to-July increase,
two had no change and 35 report-
ed losses.

Only 10 Texas cities reported
July postal receipts higher than
those of June.

4-H Club Notes

By Lester Byrd,
Ass't. County Agent

James Cargill of the Davilla 4-H
Club, showed the first place gilt
and James Edward Glaser of the
Buckholts club, showed the first
place boar in the Sears District
Swine Show at Vaco, Saturday,
September 15. More than 100 peo-
ple attended the show which
was held at the Heart O' Texas
Fairgrounds.

Each boy received a blue ribbon
and will each receive \$10 prize
money from the Sears Foundation.
This makes two consecutive years
that Milam County has won both
the gilt and boar show.

All four entries in the Sears
Boar Show were purchased from
Milam County. Three of the boars
were purchased from Mr. Henry
Richter of Cameron and the fourth
from Jeannette Fuchs of Buck-
holts. He was out of her Sears lit-
ter from last year.

Milam, Bosque, McLennan,
Coryell, and Falls counties show-
ed one boar and one gilt each.

Those who attended the show
from Milam county were: Willie
Glaser and James Edward Glaser
of Buckholts; W. J. Cargill and
James Cargill of Davilla; Henry
Richter, Mary Ellen and Henri-
etta Richter of Cameron; J. D.
Moore, County Agent and Lester
Byrd, Assistant County Agent.

Hal Lester Senkel of the Buck-
holts 4-H Club won first place on
his Field Crops Record in the Dis-
trict 8 records judging. There
were sixty-one records entered in
the contest o n various pasessho
4-H club work for 1956. These re-
cords were judged by a committee
of agents in District 8.

His record has been sent to

the State 4-H club office for judg-
ing in the State Contest. The win-
ner in this contest will receive an
all-expense trip to the 35th Na-
tional 4-H Club Congress to be
held in Chicago, Illinois, from Nov-
ember 25-29.

The three Sears Poultry Demon-
stration 4-H Clubs, took 60
poultry.

After they have had the demon-
strations for 6 months they are
scored on record of the demonstra-
tion, production methods, and
general condition of the flock.

Saturday, October 6, has been
designated as Rural Youth Day at
the State Fair of Texas in Dallas.
We are trying to make arrange-
ments to take a group of 4-H
clubbers to the Fair that day.

Strations were served Thursday,
September 13, by Alton Fuchs and
Mrs. Sue McDaniel. Henrietta
Richter made a perfect score of
100, Johnnie Ray Richter was sec-
ond with 99, and Robert Moraw
was third with 91.

The 4-H members receiving the
poultry have a choice of 300
straight-run chickens or 60 poults.
This year Henrietta Richter and
Robert Moraw both of Cameron,
took the chickens and Johnnie

Admission to the grounds will
be free and a free lunch will
be served at noon. It should be
an educational trip for those who
are interested in going.

The Maysfield and Buckholts
4-H Clubs were organized this
week and officers were elected.

Electric Cooking

is White Glove
CLEAN

Not a smudge in a rub! Because an electric range
uses 100% pure heat, 100% clean heat. Which means
no more blackened pans . . . or dishtowels . . .
you can be sure kitchen walls and curtains will stay
sparkling clean, too. Electric cooking is cool, fast, automatic,
and economical. Find out more of the wonderful
features at your electric appliance dealer's right now.
You'll love CLEAN ELECTRIC COOKING!

TEXAS POWER & LIGHT COMPANY

YOE MEN —

was blocked. The Brenham boys were not without their misdeeds that were costly and the 157 yards of ground gained was not made without hard work against a stalwart Yoe defense.

Kolkhorst was the Brenham name to be reckoned with on the ground as he picked up 51 yards in 12 trots. While Calvin Janner helped out enough to make the six points and Kolkhorst split the uprights to make it seven.

It fell the lot of a Brenham line-man Herbert Hinz to make the margin of victory for his Washington County buddies and fans by blocking the Kink's kick following the Yoe tedeo.

UNFILTERED WATER —

tions as today. Emptying of raw sewage into a state stream is not compatible with such a goal the engineer said.

In Cameron there are 2,000 water connections and only 1,200 sewer connections which indicates a number of approximately 800 pit toilets or septic tank users he said.

The engineer concluded his observations of the Cameron situation by stating "A great public health need exists in Cameron water storage and sewage disposal."

Buckholts Six Meets Turnersville; Seek Second Win

The Buckholts Badgers will be host to the Turnersville Trojans this Thursday night, September 27 on the Buckholts field. Game time is eight o'clock.

Coach Louis DeWald of the Badgers is expecting a good game, with the team having the most drive and hustle to come out with the big end of the score.

Coach DeWald assures the fans of a good game as this will be one of their toughest opponents of

the season.

The Badgers have won only one game of their three games this season, that being the opener with Jonesboro by a score of 32-6 and dropping the next two to Hut- to 44-19 and Pflugerville 44-21.

The Badgers came out for practice Monday afternoon in good shape. Nathan Fritz received a minor injury Thursday night but will see action this week.

Probable starting lineup for the Badgers Thursday night will be: Albert Abel and Glenn Hutka ends, Wayne Orsag, Leland Weido, Lamar Gresak backs and Stanley Glaser center. Other members of the team include, James Glaser, Walter Zajicek, Nathan Fritz, John D. Jones, Clarence McNeill, Hall Senkel, Carroll Glaser and Marc Gresback.

Lamar Gresak, Cecil Widner Buck FHA Pin Up; Sweetheart

Jeanie Hanke was made president of the Buckholts Future Homemakers Association in the first meeting of the year of that club.

Vice President is Carolyn Wall; Secretary, Peggy Inge; Treasurer Kathryn Svetlik; Pianist, Ruth Ann Whittington; Parliamentarian Jo Ann Weido; Historian, Bernice Jones; Song Leader, Charlene Kudlacek and Reporter, Carolyn Kachitk.

The F.H.A. Pin-up boy is Lamar Gresak and Sweetheart is Cecil Widner.

Sale of ice cream is the club project for the year.

The girls were introduced to their new homemaking teacher, Mrs. Vickery.

Mrs. R. H. McIntosh Dies Here; Interred At Wills Point

Mrs. R. H. McIntosh, 89, died at her home in Cameron, 402 No. Central at 2:30 a.m. Sunday, September 23. She was born in Galveston and had lived for 59 years in Cameron.

Funeral services were held Monday at the Marek-Burns Funeral home at 10 a.m. with Reverends E. J. Davis and John Solo-

mon of Cameron officiating. The body was then taken overland to Wills Point, Texas for burial with Reverend Leslie Griffin of that city officiating at the graveside.

Pallbearers were Lester Williams, Ray Burke, Niley Smith Jr., Andrew Esslinger, A. W. McCullin and Hayden Lawrence.

Survivors are one daughter, Mrs. Kathrine Earnest of Yuma, Arizona; one sister, Lucia Clark of Long Island New York. Numerous nieces and nephews including Bill

McIntosh and George Childress, both of Cameron.

Mrs. Ola Dobbins Dies In Austin Buried Here Tuesday

Funeral services for Mrs. Ola Dobbins, age 79, who died at the home of her daughter in Austin, Sunday night were held from the

Marek-Burns Funeral Home in Cameron, Tuesday, September 25 at 10 a.m.

Services were conducted by the Reverend Ed Bratcher, pastor of the Tarrytown Baptist church in Austin. Burial was in Oak Hill Cemetery.

Survivors are one daughter, Mrs. Beulah Burns of Austin; a sister, Mrs. J. B. Allen of Weatherford; three grandchildren and three great-grandchildren.

Pallbearers were Starrett Hick-

man, Jack Hearrell, Dan Gunn, Lee McLane, Edwin Day and Lester Williams.

Bernice Fischer Made Secretary Of TJC Freshmen

Miss Bernice Fischer, daughter of Mr. and Mrs. Edwin Fischer of Route 2, Buckholts, was today elected secretary of the freshman class of Temple Junior College.

Miss Fischer was the valedictorian of her graduating class of Buckholts High School and was active in Future Homemakers of America and other school activities. She was also a majorette and a member of the basketball team.

In addition to her activities on the TJC campus as class secretary, Miss Fischer is a member of the junior college choir and a major in the field of business administration. She is attending Temple Junior College on a scho-

larship awarded her by virtue of being valedictorian of her class.
